What are DUNS and SAMS #s?

## What are DUNS and SAMS #s?

- **DUNS:** is a unique 9-digit identifier issued and maintained by Duns & Bradstreet (D&B) that verifies the existence of a business entity/organization globally.
- **SAMS:** All entities—people or organizations wishing to do business with the federal government—must register in SAMS.
  - Businesses and grant or loan recipients must have an active SAM registration to receive federal funds
  - Registrations must be updated every 12 months to remain active

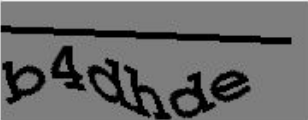

## DUNS/SAMS:

### American Rescue Plan

- Entitlement cities will need both a DUNS and SAMS number.
  - Check to be sure your SAMS registration is active (must renew annually).
- Non-entitlement cities will need a DUNS number.
  - A SAMS number is not required, but cities may consider registering for one anyway (free) if they plan to apply for federal or certain state grants.
