City: Ireton

Title of Project: Ireton Ballfield Project

City's Population: 609

In a few sentences, give a summary of the project and why it was needed:

Haven't had upgrades for decades and we have very active little league and school baseball teams. The ballfield was in need of an upgrade

Explain the specific role of your city in this project:

It was a shared project between Ireton and our sister city of Hawarden. We share a school district and equally shared support for our ball field. City and citizens worked together which is rare

In a few sentences, what future impact will this project have on your community?

With a small community it is beneficial to have one of the major sports at our location

Total cost of project: $200,000

List where funding came from. (grants, donations, city funds, etc):

Grants, donations and city contributions

Total time project took/projected to take for completion. Please include start date and end date. (To qualify the project must be operating or completed between January 1, 2017 and December 31, 2017):

Started Fall of 2016 ended Spring of 2017
